

Alessandro Raho

Born 1971. Nassau, Bahamas

Born in Nassau, Bahamas, Raho moved to London and attended Croydon College (1989–90) and then Goldsmith College, graduating in 1994 with a BA in Fine Art. In 2004, he was commissioned by the National Portrait Gallery in London to paint a portrait of English actress Dame Judi Dench.

Raho paints portraits of friends and family, seascapes and landscapes and still lives. He uses fine oil painting producing descriptive realist portraits of his friends and family in order to process and preserve the seemingly inexpressible sensation of being connected to another person.
